#### NOTES

1. The College has a separate application process for candidates who have trained elsewhere outside Hong Kong. Please refer to [Restriction on Candidate Numbers](#) for details.
2. Changes to exam delivery have been put in place to mitigate against exam cancellation due to COVID-19. While the RCR & HKCR have done its best to achieve this, it is still possible that an exam may need to be cancelled, or a region may not be able to run the exam, due to local constraints or updated government guidance. **Should any candidate feel unwell or display COVID-19 symptoms, they should not attend the examination.**
3. Please read the [Guidance Notes for Examination Applicants](#) & [Examination Regulations and Policies](#) carefully before submitting an application, which contain important information on how to make a successful application. Please refer to RCR website for details: <https://www.rcr.ac.uk/clinical-radiology/examinations/frcr-part-2b-radiology-cr2b>
4. It is the responsibility of each candidate to ensure that their application has reached the Examinations Office by the published closing date. Late applications will **NOT** be accepted under any circumstances.
5. Examination Fees should be paid separately to **BOTH** Hong Kong College of Radiologists and The Royal College of Radiologists. For the examination fees to HKCR, cheque or bank draft in Hong Kong Dollar should be made payable to “**Hong Kong College of Radiologists**”. Upon final approval of application by RCR, candidates would be advised to log into the RCR portal [Exam Hub](#) in order to make and pay for the RCR portion of the examination.
6. Candidates passing the examination will be expected to attend the Admission Ceremony.
7. Please address any queries, correspondence and applications concerning the Joint Examinations for the Fellowship to the Hong Kong College of Radiologists.
