Speakers

Prof. Tony Mok

Chairman, Department of Clinical Oncology,
Li Shu Fan Professor of Clinical Oncology,
The Chinese University of Hong Kong

Prof. Matthias Guckenberger

Professor for Radiation Oncology,
University Hospital Zurich,
University of Zurich

Dr. Victor Lee

Clinical Associate Professor,
Department of Clinical Oncology,
The University of Hong Kong

Clinical Assistant Prof. Kevin L.M. Chua

Consultant, Division of Radiation Oncology,
National Cancer Centre Singapore,
Clinical Asst Professor,
Duke-NUS Medical School, Singapore

Dr. Charles B. Simone

Research Professor and Chief Medical Officer,
New York Proton Center
Member, Memorial Sloan Kettering Cancer Center

Agenda

Time(GMT+8)	Duration	Topic	Speaker
13:00 - 13:10	10 mins	Welcome and Opening	
Plenary Session			
13:10 - 13:30	20 mins	Lecture 1: SBRT advances in early stage NSCLC	Prof. Matthias Guckenberger Professor for Radiation Oncology, University Hospital Zurich, University of Zurich
13:30 - 14:10	40 mins	Debate: Is radiotherapy a standard for oligometastasis of lung cancer treatment in real world practice?	Prof. Tony Mok Chairman, Department of Clinical Oncology, Li Shu Fan Professor of Clinical Oncology, The Chinese University of Hong Kong Prof. Matthias Guckenberger
14:10 - 14:20	10 mins	Panel Discussion: Future perspectives in incorporating radiation as multimodality treatment	Prof. Matthias Guckenberger, Prof. Tony Mok and panelists
14:20 - 14:30	10 mins	Break	ALL
14:30 - 14:50	20 mins	Lecture 2: Raise the tides in PACIFIC	Dr. Victor Lee Clinical Associate Professor, Department of Clinical Oncology, The University of Hong Kong
Contouring and RT Planning Breakout Workshop			
14:50 - 16:50	~120 mins including break	cCRT in stage 3 NSCLC - Why can't we? - Review contouring and RT planning pre-work - Discussions on RT technique, motion control, OAR dose constraints - Toxicities management	20 participants per group 3 case discussion, each ~ 30-40 mins (total 6 moderators)
Clinical Trial Preceptorship			
16:50 - 17:10	20 mins	Lecture 3: Radiotherapy trials and tribulations	Clinical Assistant Prof. Kevin L.M. Chua Consultant, Division of Radiation Oncology, National Cancer Centre Singapore, Clinical Asst Professor, Duke-NUS Medical School, Singapore
17:10 - 17:30	20 mins	Lecture 4: Current evidence and future directions for proton therapy in thoracic malignancies	Dr. Charles B. Simone Research Professor and Chief Medical Officer, New York Proton Center, Member, Memorial Sloan Kettering Cancer Center
17:30 - 17:40	10 mins	Panel Discussion and Closing	

Contouring and RT Planning Workshop

Complete contouring and RT planning pre-work

Evaluation by scientific committee

(At the meeting on 30 Oct) Case discussion

Scientific committee

Dr. Oscar Chan

Head of Oncology,
Hong Kong Integrated Oncology Centre,
President, Hong Kong Stereotactic
Body Radiation Therapy Study Group

Dr. Victor Lee

Clinical Associate Professor,
Department of Clinical Oncology,
The University of Hong Kong

Dr. Chiang Chi Leung

Clinical Assistant Professor,
Department of Clinical Oncology,
The University of Hong Kong

Dr. Jonathan Nyaw

Associate Consultant, Department of
Clinical Oncology,
Tuen Mun Hospital

Dr. Michael Kam

Associate Consultant, Department of Clinical Oncology,
Pamela Youde Nethersole Eastern Hospital

Dr. Fiona Lim

Consultant, Department of Oncology,
Princess Margaret Hospital

Dr. Mui Wing Ho

Associate Consultant, Department of
Clinical Oncology, Tuen Mun HospitalContact us info@radiationoncologypreceptorship.com
