About RadiologyAsia 2018

RadiologyAsia, jointly organised by the Singapore Radiological Society, the College of Radiologists Singapore and SingEx Exhibitions, returns for its third edition at MAX Atria, Singapore EXPO from 11 to 13 May 2018. Themed *Go Beyond the ABCs of Radiology*, the event brings together renowned faculty to discuss on topics such as: Abdominal, Breast and Chest Radiology; Ultrasound and Healthcare IT; as well as workshops organised with the Asian Society of Abdominal Radiology (ASAR), and the Medical Ultrasound Society Singapore (MUSS).
